The Property

Found tucked away in this delightful semi-rural location at the end of Church Lane is one of the finest detached family homes in the area, with over 3000 square feet (300 metres squared) of accommodation set over three floors. Forming part of this highly impressive and gated development known as 'The Laurels', a collection of five high calibre detached homes just waiting to be discovered, the property is both individually designed and offers a high level of luxury finishes throughout.

Accessed via a private 200 metre driveway, through wrought iron electric gates, leading onto a permeable block paved road with double garaging, the property is situated on the edge of the Humberston boundary and was completed in 2021. Built to an exceptionally high specification, the property benefits from insulated concrete floors to the ground floor and first floor, individually designed underfloor heating throughout, a video intercom system, alarm, CCTV, external lighting and a hard-wired internet supply to each room. Freshly decorated throughout in December 2023, this beautiful property is a unique find and viewers will not be disappointed.

Upon entry, one is greeted by a superb spacious hallway, with a stunning oak and glass panelled staircase, which rises gracefully to the first floor landing and above. It has a high polished tiled floor with underfloor heating serving all the ground floor area. There is a smart cloakroom/W.C. and two individual reception rooms, including an attractive bay fronted lounge with an eReflex electric plasma fire and a superb large study with bespoke built-in furniture, display cabinets and purpose designed desk areas, perfect for home working.

Undoubtedly the stunning living kitchen with its open plan sun lounge forms the hub of this beautiful home. Designed by Richard Sutton, displaying a range of handmade, solid oak carcasses, beautifully finished in a modern two-tone French grey with quartz worktops, two sinks and a matching centre island with an adjoining solid oak fitted breakfast table.

There is a host of built-in quality Neff and Caple appliances and a high polished porcelain floor with underfloor heating which flows effortlessly through into the sitting and dining areas with superb built-in media wall, two sets of bi-fold doors and a lantern top roof, allowing plenty of natural light. Beyond the kitchen is the large, bespoke boot room designed by Richard Sutton, complete with bench seating, cloaks area and utility cupboards, with a further boiler room behind.

At first floor level, there is an elegant oak and glass panelled balustrade serving three large double bedrooms, including an amazing principal bedroom suite with a spacious walk-in dressing room and a stunning en-suite private bathroom, beautifully tiled and featuring a white designer suite including freestanding bath, wall-mounted TV, a vanity unit comprising twin wash hand basins, wall-hung W.C. and a walk-in glass panelled shower. In addition, there is a further exquisite family bathroom with free-standing bath, walk-in shower, a modern floating vanity unit and wall-hung W.C.

On the second floor, there are two extra spacious bedrooms - each with eye-catching views as far as the Humber Estuary, and an additional third bathroom with freestanding bath, corner shower unit and floating vanity unit with hand basin.

The gardens surround the house on three sides and are landscaped with a beautiful porcelain patio around the kitchen and family room and a lawned garden enclosed by fencing. The double garaging has a folding electric door with a composite courtesy side door and a separate staircase leads to a large first floor boarded storage area.

The popular village of Humberston offers well-regarded schools, plus a useful range of local shops, tearooms, public houses etc. The facilities of the resort of Cleethorpes are just a few minutes away and the beautiful Lincolnshire Wolds can be reached within 15 minutes by car. No.4 The Laurels is a home of immense quality and style and its secluded location will only serve to enhance its appeal.
