# The Property

Standing within beautifully maintained grounds in a cul-de-sac position just off The Avenue in Healing, No.1 McVeigh Court is a stunning home offering extended accommodation of the highest standards. Re-modelled and re-designed since its original construction in 1988 the property has been significantly extended including the addition of a third storey to add to its already impressive space.

Principal features of the accommodation include the welcoming Reception Hall from where the spindle balustrade staircase rises to the first floor, a useful Cloakroom, the elegant main Lounge with a polished limestone fireplace, a flexible Playroom/Dining Room and the superbly equipped Dining Kitchen with a comprehensive range of beech finish cabinets, black granite worksurfaces and quality appliances. A Sitting Room links to the Dining Kitchen in an open plan style and there is a sizeable rear Sun Room (enjoying lovely views of the garden) and an extended Utility Room. At first floor level there are four double bedrooms two of which benefit from their own high quality, updated ensuite Shower Rooms. The Family Bathroom includes a corner bath and a wet-room style step-in shower enclosure. A second staircase leads from the landing to the upper floor which potentially provides two further double Bedrooms, although one is currently used as a Lounge/Cinema room with useful storage space leading off. An additional Toilet at this level is a particularly handy feature.

The house has the benefit of gas central heating, fully owned solar panels for significant energy cost savings, uPVC framed double glazing and a security alarm system.

The original Double Garage has been altered and now includes a staircase lobby with access to first floor storage/hobby space. The gardens are wonderful with manicured lawns, a variety of shrubs, two paved patio/sitting areas, a greenhouse and a shed. The sizeable driveway features illuminated edging stones and can accommodate numerous vehicles. A canopied area between the house and garage provides a useful sheltered position too.

The popular village of Healing offers well regarded schools, Healing Manor Hotel, a general store and regular buses into Grimsby.

Only a visit to No.1 McVeigh Court will allow a potential purchaser to truly appreciate the space and quality it offers. The clever and creative enlargement projects have transformed the property from its origins and discerning purchasers seeking somewhere rather special are advised to view without delay.
