SITUATION

Located at the end of a small unmade road close to the George V field in Headley Down, the village has a convenience store plus petrol station. The adjacent village of Grayshott affords more comprehensive shopping with nationally known supermarkets a range of independent retailers, café's restaurants and a public house. The A3 London to Portsmouth road is about 3 miles distant just beyond Grayshott. Haslemere (6 miles) offers a train service to Waterloo in approximately 50 minutes by way of South West Trains. Numerous beauty spots are within easy reach to include Waggoners Wells, The Devil's Punch Bowl, and the miles of National Trust land at the adjacent Ludshott Common being only a short walk away, (from the higher parts of which you can enjoy panoramic views over East Hampshire to the South Downs). The area has been designated a Site of Special Scientific Interest (SSSI) for its wildlife, and a Special Protection Area (SPA) for its birds. The immediate locality also enjoys specific protection by the planning authority which restricts plot sizes to no less than 1/6th acre, thereby preserving the density of development within the "Special Housing Area". There is sailing at Frensham Ponds and Golf is available at Liphook, Blackmoor and Hindhead. The main airports of Gatwick and Heathrow are 50 miles and 42 miles respectively with access to the M25 at junction 10 (25 miles). The A3 is 3 miles away affording dual carriageway road links to both London and South Coast. This in turn provides access to the M25 at Wisley (25 miles) and both the main airports of Heathrow (40 miles) and Gatwick (52 miles). State and private schools are well catered for with the former well served by Oakmoor in Bordon and Bohunt at Liphook, rated 'Outstanding' by Ofsted.
