

Location

Airfield Business Park is situated on the West side of Elvington, less than two miles from the Grimston Bar roundabout which forms the intersection of the A64, A1079 and A166. The A64 is the York Ring Road and connects with the A1 and the A19. York City Centre is approximately 6 miles.

The location is therefore well suited for access to York and the surrounding areas.

Description

This is a good quality warehouse with an eaves height of approx 8.0m and a clear span.

The cladding is insulated and there are two loading doors.

To the front of the unit are welfare facilities and offices.

Externally there is a service yard and storage/parking along the length of the building.
